

Office Monégasque d'Assurance et de Courtage

OMAC
Office Monégasque d'Assurance et de Courtage

About us :

Based in Monaco, OMAC has been created to gather the highest insurance standards of our group to provide effective long-term solutions to fully encompass the needs of high net worth individuals.

OMAC's specialists are unrivalled in their extensive experience in catering to specific needs and meeting requirements when it comes to insuring rare and high value properties against financial risks, and providing insurance policies for the owners of these properties.

All companies in our group are capable of putting their teams at the disposal of OMAC clients. This is also the case of our global network of insurance and reinsurance companies, experts and specialists.

Our Yacht Insurance Products :

Hull & Machinery

This coverage protects the owner against physical damage occurred to the yacht due to fire, collision, grounding and other loss to machinery, equipment on board and personal effects of the passengers and crew.

We are able to offer this coverage through top-rated insurers in the market.

The OMAC facility, lead by Generali France, is meant to provide a wide insurance capacity which allows us to deal and cover some of the top superyachts worldwide.

Protection & Indemnity

The P&I coverage provides liability coverage to the insured for bodily injured and property damage to third parties, liability to hired crew, defense cost coverage and wreck removal when required by law.

As per the H&M coverage, even this coverage is granted by the top-rated insurers present in the market, one among them is Steamship Mutual.

We are also able to combine H&M and P&I insurance in order to easily meet our clients' marine insurance needs and streamline the insurance-buying process.

Crew Medical

We are proud to offer the Crewsure coverage which is an innovative and complete Crew Medical insurance product for individual crew members and group plans for the entire yacht. The medical payments section covers bodily injury caused by accidents, sickness or disease, and includes the required care, loss of services and death resulting there from. Benefits include expenses for repatriation, personal effects and crew replacement.
